

DON'T GET LEFT IN THE DARK

Backlit displays are the perfect way to stand out and command attention at corporate events and tradeshows. These portable, easy-to-assemble solutions come in a number of sizes and shapes with different fabric graphic attachments including hook and look, push-fit SEG and slipover pillowcase style.

BACKLIT HOPUP™

click to watch the simple setup!

The ever-popular Hopup™ expandable display system is now coupled with simple vibrant LED lights to create a quick and impactful display! The sleek, silver frame pulls to expand and comes with fabric graphics pre-attached with hook and loop. Attach LED lighting to the scissor arms, tether the cords and plug in for maximum impact! Choose from 5ft, 7.5ft and 10ft widths.

NEW FORMULATE® BACKLIT

The versatile and portable Formulate® Master line of tension fabric exhibits now includes illuminated straight backwalls! The innovative LED light curtain draws attention to branding and messaging while offering balanced bright white light throughout. Easily assemble the aluminum tube frame, add the light curtain and slip over the zipper pillowcase fabric graphic for an eye-catching display great for any environment! Offered in 5ft, 8ft and 10ft widths.

BACKLIT EMBRACE™

click to watch the simple setup!

The impressive and portable Backlit Embrace™ display system offers simple setup with sleek, push-fit Silicone Edge Graphics to create a seamless display in minutes! Simply attach the LED lights to the collapsible frame and insert the graphic into the perimeter channel bars for an impactful, illuminated display. Choose single or double sided graphics and select from display sizes ranging from tabletop to 30ft wide!

VECTOR FRAME™ LIGHT BOXES

The sleek and modern line of Vector Frame™ Light Boxes feature durable, extrusion frames with pre-attached LED edge lighting for superior vibrancy and illumination! Once assembled, attach the push-fit, color-rich fabric graphics for a flawless look. Plug in and you're done! Single and double sided graphic options available. Square and rectangular backwalls available in a multitude of sizes up to 30ft wide!
