POPUUP BAR

The portable Popup Bar™ is an expandable, wheeled sampling and serving station perfect for any event, indoor or outdoor! Simply unfold the legs, inserting the interior shelf panels and attach the graphics! Fully-customized fabric graphics on the front and sides advertise and promote! Comes in two sizes, mini and large. Headers for additional branding also available!

BARRICADE COVERS

Barricade Covers deliver important guidance, promote, and advertise, all while serving as crowd control! Offered in 6ft and 8ft sizes, two materials, and your choice of single and double-sided. Simply slip the cover over the frame, and zip on the side to close.

Frame is not included.

ZOOM FLEX OUTDOOR BILLBOARD

The Zoom™ Flex Outdoor Billboard is a strong, flexible outdoor billboard for outdoor promotional and event use. It features sturdy base plates on the inside, tube frame construction with flexible fiberglass poles at the top, which allows the display to move with the wind. Bags included to add weight for stability.

ZOOM FLEX ARCH

The Zoom™ Arch is an outdoor arch-shaped flag. It combines flexible fiber poles and flag graphics to draw attention! The Zoom Arch comes with ground stakes, and is compatible with our line of Zoom Flex Flag bases so it can be used in all types of environments. Ideal for outdoor sporting and musical events, gas stations, car dealerships and more!

OUTDOOR BANNERS & GRAPHICS

Orbus is 1 of 9 printers in the USA that can print seamless fabric graphics up to 16ft wide! For outdoor stage sets, events and advertising, we offer fabric and outdoor flag material up to 16ft wide, and vinyl banners up to 10ft wide.
