

Hybrid Pro Modular Kit 02

TURNKEY MODULAR EXHIBITS

Are you looking to make a great impression at your next tradeshow, but working with a tight turnaround and modest budget? We offer an array of impressive Modular exhibit kits that deliver a custom look!

SMART, VERSATILE & SOPHISTICATED

Our Hybrid Pro™ Modular and Vector Frame Modular exhibit kits are designed to suit your needs for high design within a reasonable budget and timeline. From 10ft, 20ft, 30ft inline exhibit kits to 20ft x 20ft island kits, we offer fantastic options to choose from. Add counters and kiosks to compliment!

SAVE TIME BUT DON'T COMPROMISE DESIGN

10 X 10 EXHIBITS

Our line of Modular 10ft exhibit kits offer a clean, sophisticated look. Light boxes and fabric graphics make your message and brand POP. Add complimentary counters for greeting and reception.

Hybrid Pro Modular Kit 03

Hybrid Pro Modular Kit 14

10 X 20 EXHIBITS

This robust inline display offers a modern, custom appearance. Sturdy aluminum frames, SEG push-fit fabric graphics, monitor mounts and backwall counters will turn heads at your tradeshow debut.

20 X 20 EXHIBITS

Hybrid Pro Modular 20 x 20 Island Kits are perfect for the serious exhibitor! These kits include towers, storage closets, monitor kiosks, and large, seamless fabric graphics for ample branding and messaging! Turn heads with a custom-looking booth produced in half the time!
