Vector Frame Master Light Box R-05

ILLUMINATE YOUR BRAND.

Fabric Light Boxes are all the rage! With award-winning, superior high-impact graphics, they make brands and messages stand out in retail stores, interiors and trade shows and events.

VECTOR FRAME® MASTER
LIGHT BOXES

Enlighten your audience with Vector Frame™ Master Light Boxes!

These robust light boxes hold outstanding SEG push-fit fabric graphics and LED lights. Study, silver extrusion frames are built to last a lifetime and illuminate your brand and message.

VECTOR FRAME® ESSENTIAL LIGHT BOXES

Vector Frame™ Essential Light Boxes offer simple, toolless assembly!

Simply slide each frame piece together, apply the push-fit fabric graphics and plug in. LED lights comes pre-attached to the frame. White aluminum frames are polished and clad with high-impact SEG push-fit fabric graphics.
