

Impactful in all environments, backlit graphics command attention! Vector Frame™ Essential Light Boxes are excellent for promotional use in interior spaces, trade shows and events and are guaranteed to help your message stand out.

With sizes in square and rectangle shapes, these sophisticated light boxes are the optimal display to ensure your brand and message resonates.

VECTOR FRAME ESSENTIAL LIGHT BOXES - 7 Sizes

frame easily assembles

easy-to-apply push-fit
fabric graphics

lights come pre-attached
to the frame

Vector Frame™ Essential Light Boxes feature a sleek 4" white aluminum frame, seamless push-fit fabric graphics and require no tools for assembly! Simply slide each frame piece together, apply the push-fit fabric graphics and plug in. LED lighting comes pre-attached to the frame and swivel lock feet give added stability. Light boxes include a lifetime hardware warranty.
