

Collapsible DISPLAYS

Whether you need a step-and-repeat wall, exhibit backwall, or interior signage, collapsible displays are a versatile choice. With numerous customizable options available, such as size and custom graphic design, you can tailor your display to meet your branding and space needs.

Choose from our extensive product lines, including the popular Hopup™ tension fabric display system, Embrace™ push-fit fabric system, and Xclaim™ fabric popup.

hopup

Hopup™ collapsible displays utilize pop up frames and pre-attached fabric graphics for the ultimate ease of use. Displays set up in minutes, are lightweight and available in a wide range of sizes.

embrace

Embrace™ collapsible displays feature push-fit SEG graphics that easily attach to the pop up frame along the edges. With displays up to 15ft tall and 30ft wide, there's a solution for every need.

xclaim

Few displays offer the graphic customization options of Xclaim™. With a wide variety of unique shapes and sizes, these displays capture the attention of your audience. Xclaim pop up displays use a magnetic frame that sets up and stores quickly and easily.
