

Easily Design Retail Stores *with* **MODify**TM

MODify is a versatile, one-of-a-kind Retail Merchandising system enabling you to design stores and environments with ease. Mix and match kits, furniture and accessories to create an impressive and dynamic space. Watch this video to learn how.

The MODify collection includes various display and furniture styles and sizes to design with!

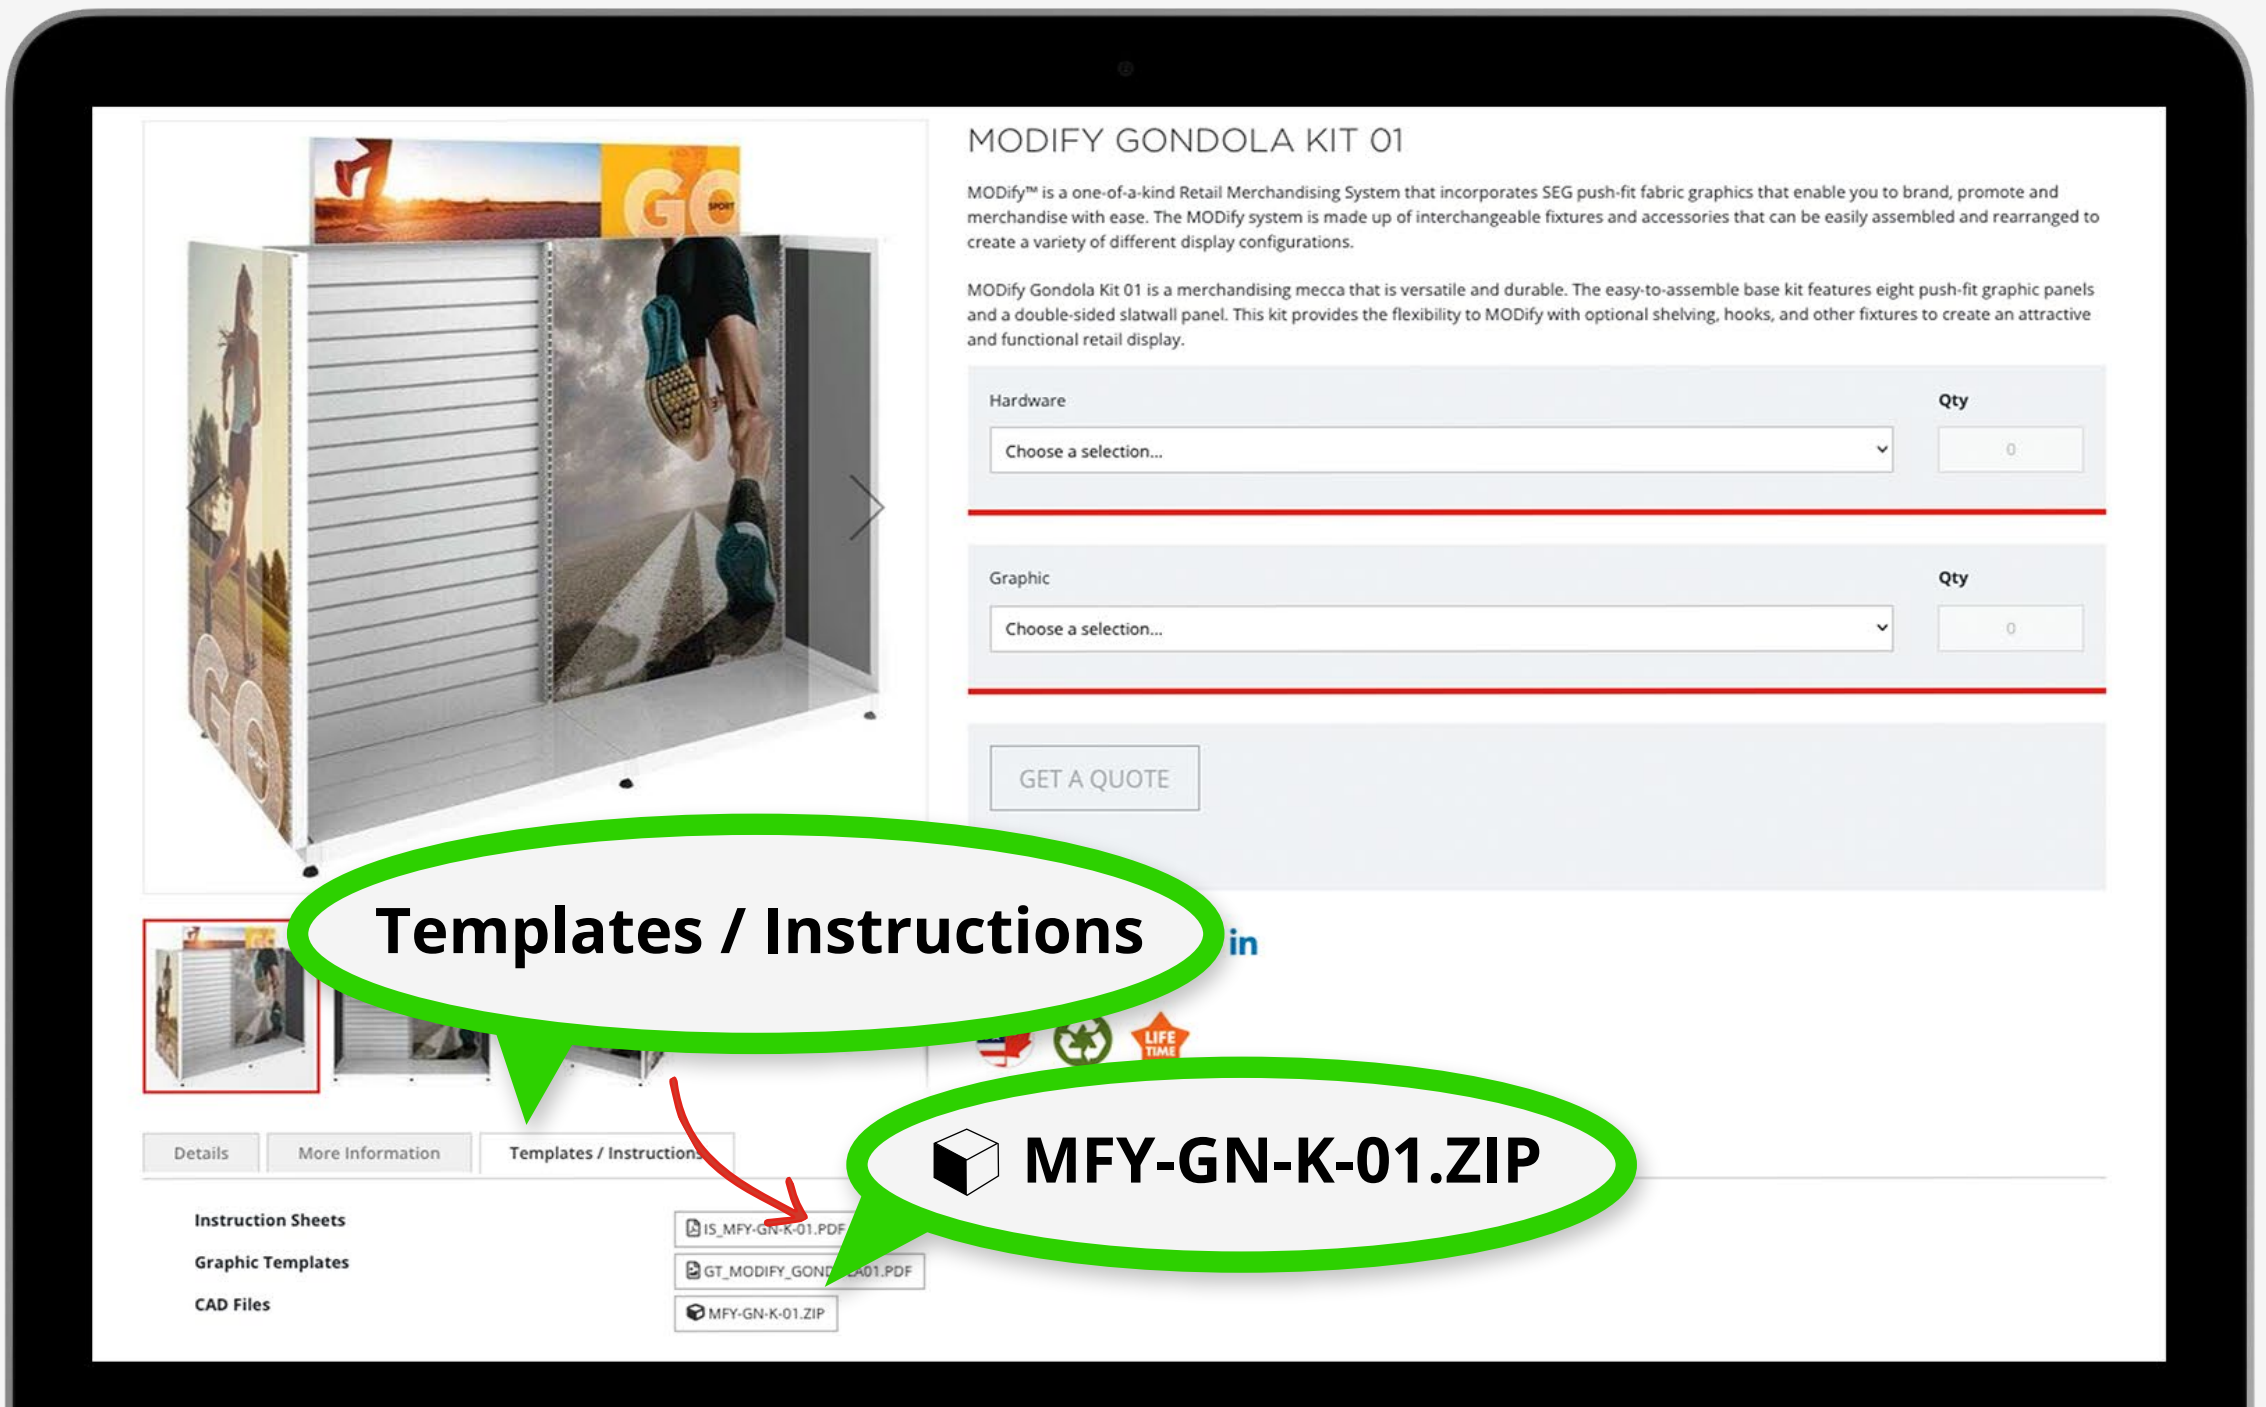

- 5 Single Sided Kits
- 4 Double Sided Kits
- 3 Gondolas
- 20 Accessories – Shelves, Waterfalls, Towel Bars, Faceout Bars
- 10 Furniture Options – Nesting tables, Risers & Podiums

CAD Files NOW AVAILABLE

CAD files of MODify Kits and Furniture pieces are now available.

Where can you find them?

Navigate to the desired product > then to the Templates/Instructions tab.

Download the zip file, which contains multiple file formats: DWG, OBJ, FBX and Parasolid X-T files:

- DWG file: AutoCAD & Sketchup
- OBJ & FBX file: 3D rendering programs from 3D studio max, Cinema 4D & Keyshot
- Parasolid X-T file: used for SOLIDWORKS, Solid Edge & Vectorworks
