

Backwalls FOR EVENTS & TRADE SHOWS

PORTABLE & COLLAPSIBLE

Collapsible, portable displays offer a lot of practical benefits, such as easy transport and storage, quick set-up and takedown, flexibility for multiple applications for use and budget-friendliness. Our collapsible displays are smart, professional, and scalable!

FABRIC & FLEXIBLE

Formulate® is the ultimate in lightweight backwalls and exhibit options. Tube frames and tension fabric graphics help prevent you from paying an arm and a leg in shipping and material handling. A plethora of options are at your fingertips – from backwalls to full Island kits plus hanging and architectural structures to mix and match.

MODULAR & SOPHISTICATED

For a smart, versatile and sophisticated off-the-shelf exhibit with a custom appearance, turn to modular displays. You can't go wrong with our Vector Frame™ and Hybrid Pro™ Modular Kits – available in Inline & Island size options. Get a custom look without the wait!
