

Mix and Match **FORMULATE® FABRIC STRUCTURES**

Formulate® exhibits and structures feature unique stylistic elements, making them modern and sophisticated. Kits couple lightweight aluminum tube frames with zipper pillowcase fabric graphics.

Formulate Tension Fabric Displays are versatile; you can easily mix & match backwalls, hanging structures, towers and counters to design an inviting space. They are the perfect solution for any event and budget!

Fabric BACK WALLS

Essential

Formulate Essential backwalls are available in 8ft and 10ft inline and combine easy-to-assemble frames and printed fabric graphics for impactful displays that set up quick!

Master

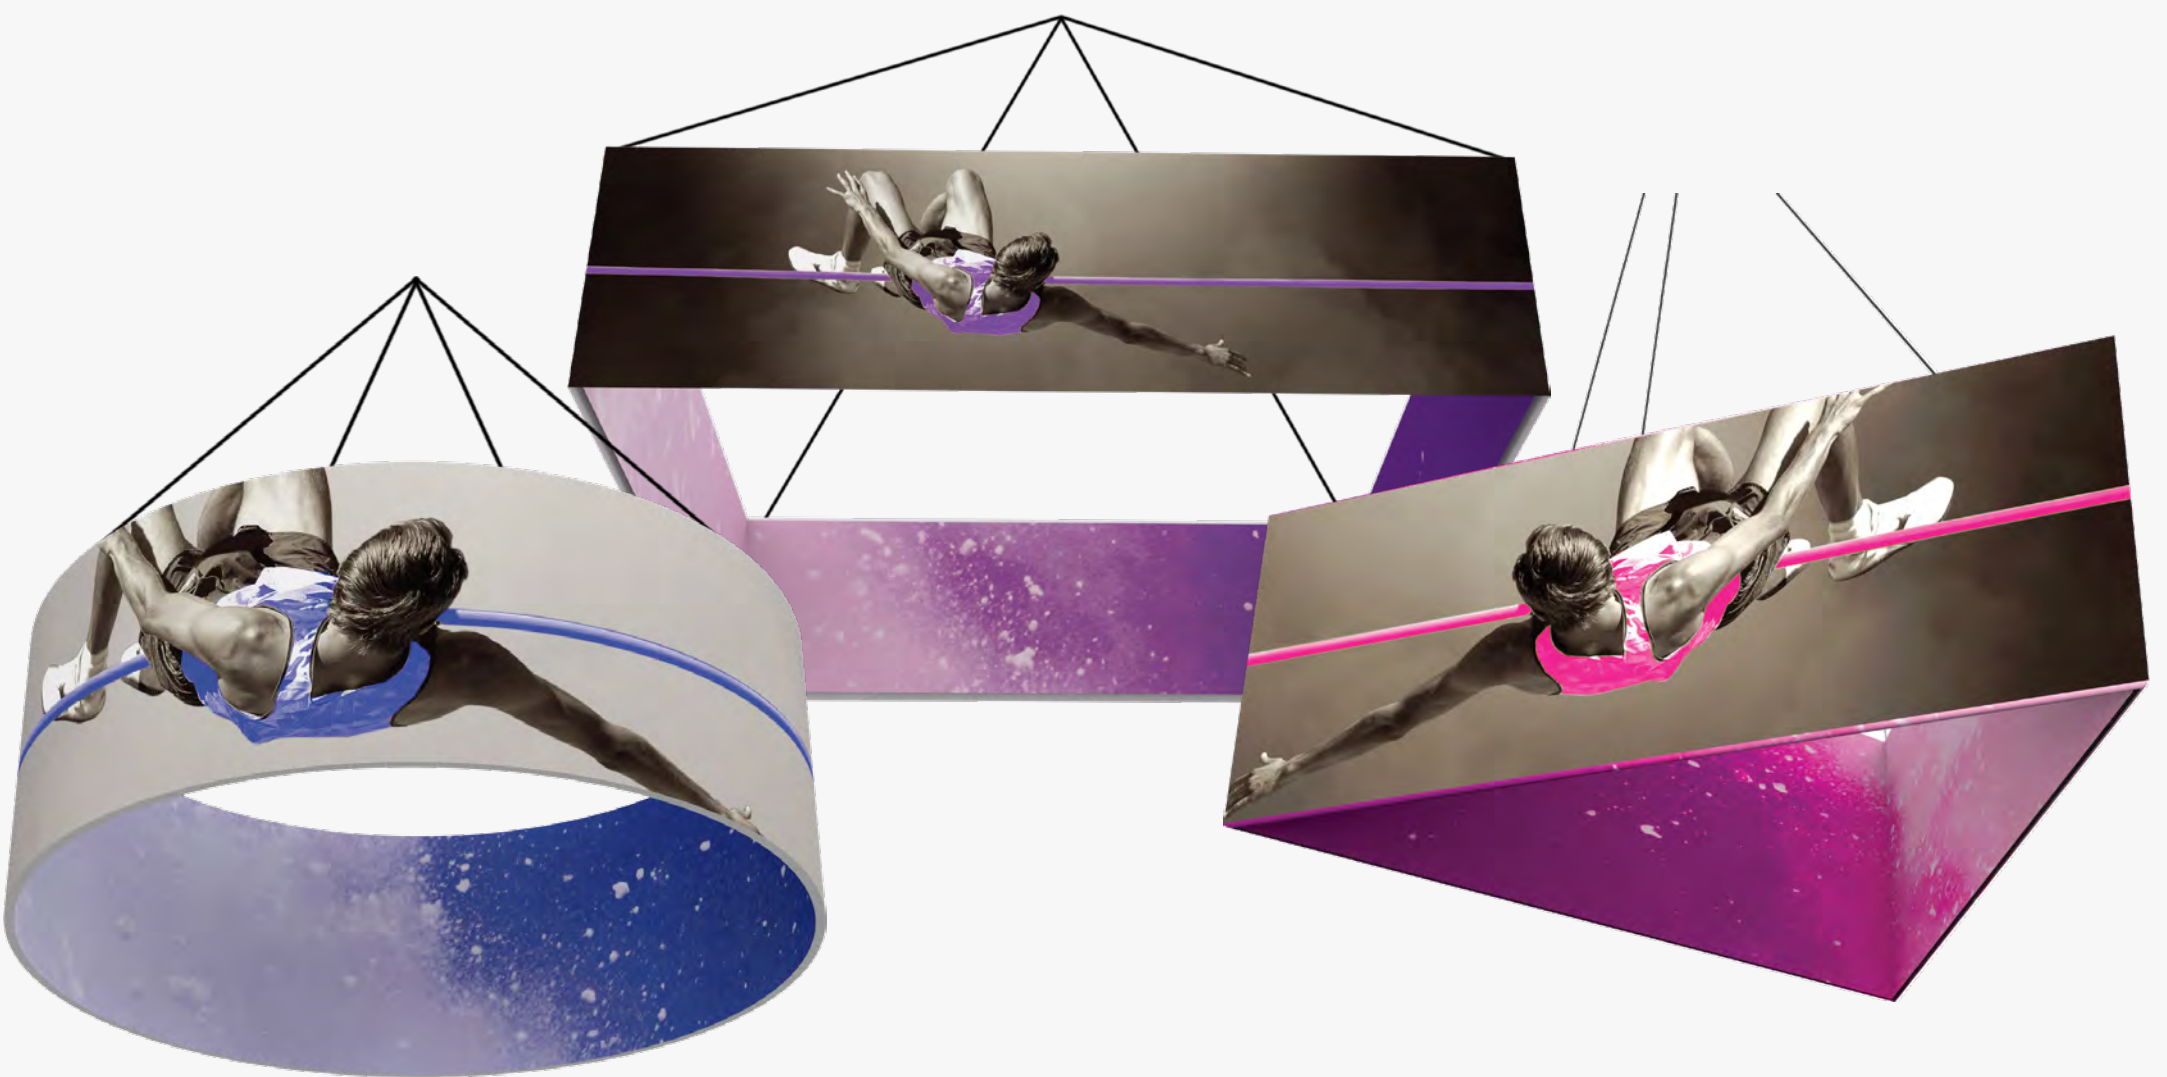

Accent ladders add flare and functionality to Formulate Master 8ft, 10ft, and 20ft backwalls. Available in a variety of styles.

Designer

As the premium Formulate line, Designer features unique angles, styles, and features making them sophisticated display solutions. Available in 10ft, 20ft, and 30ft.

Hangings STRUCTURES

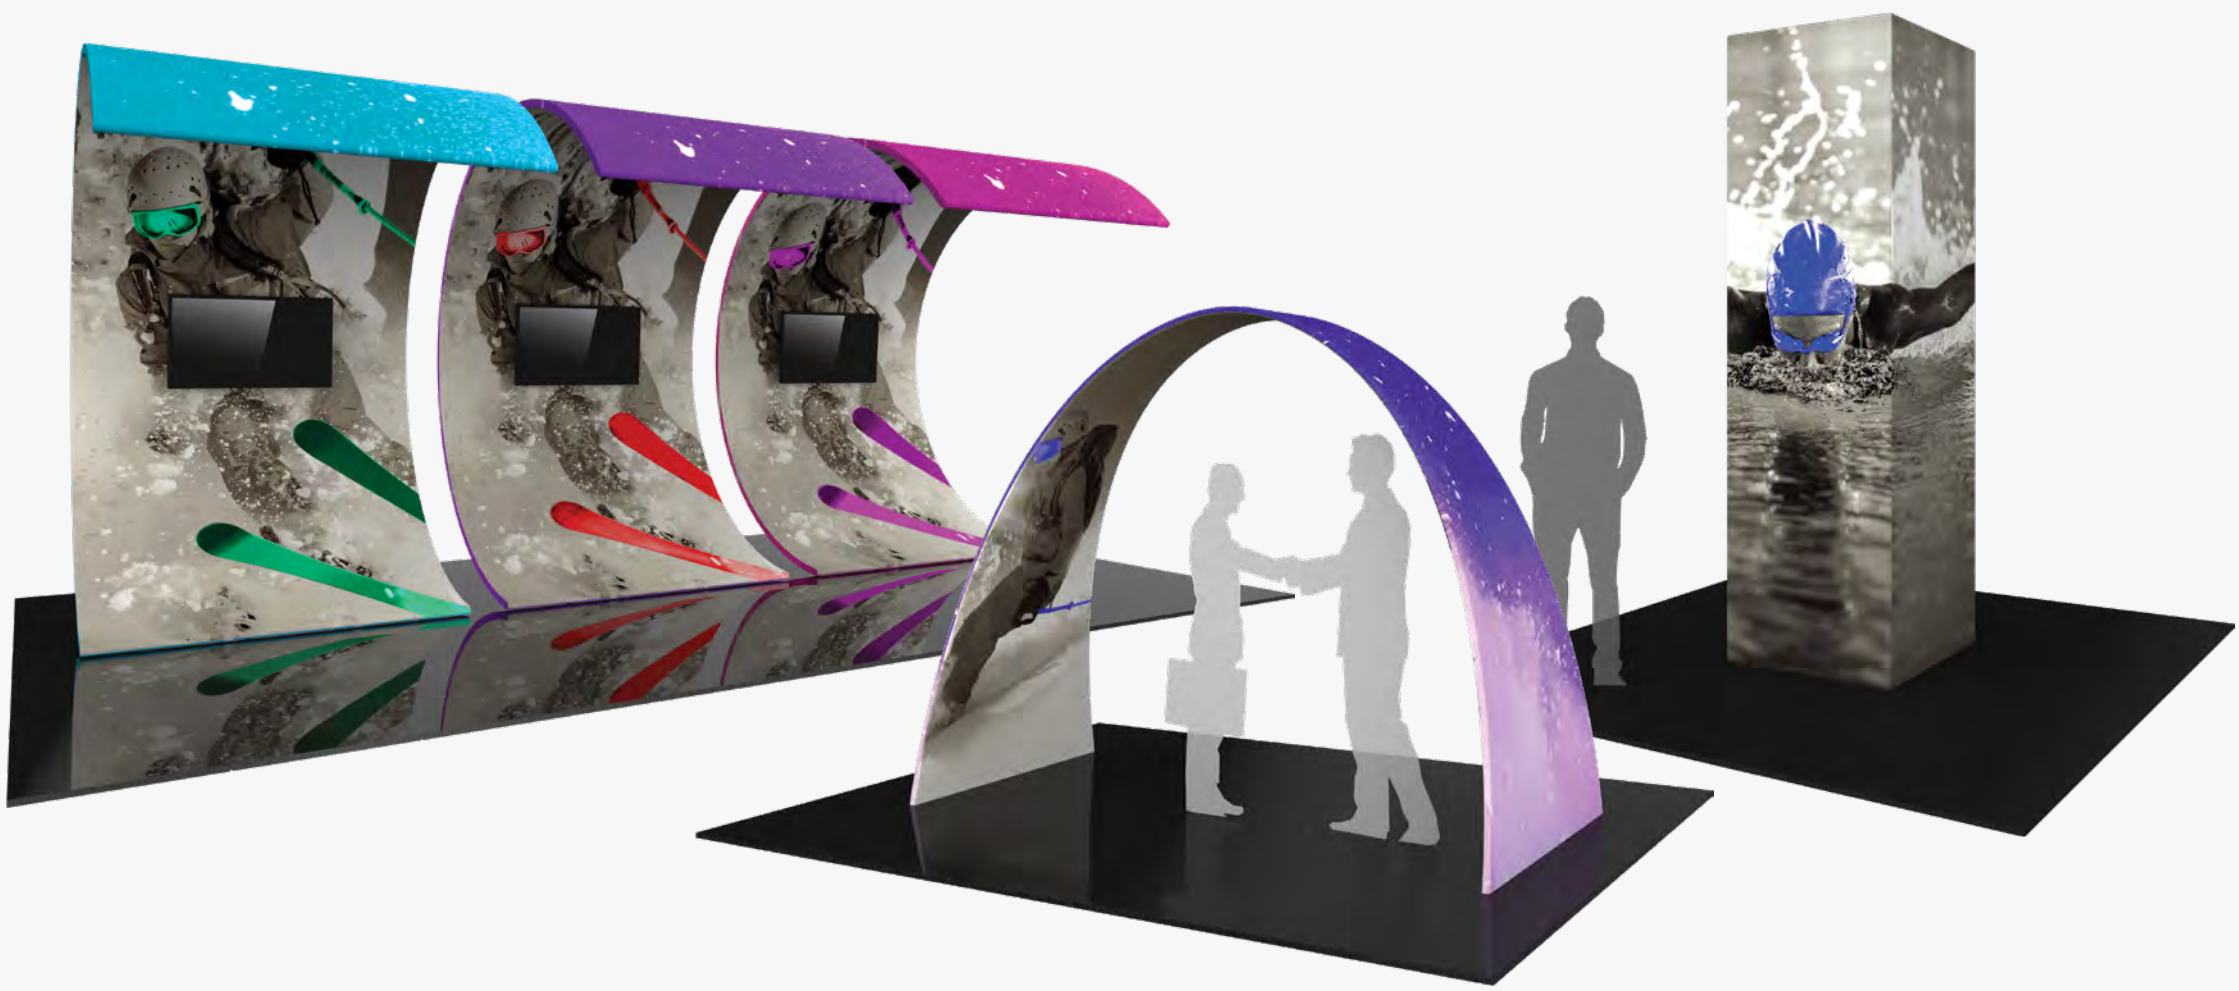

Formulate Hanging Structures are ideal for attracting attention or for use as a focal point at an event or in an interior space by projecting messaging from all angles and drawing the eye to a brand!

Fabric COUNTERS

Formulate Counters are lightweight and create funky and functional reception stands. Many sizes and styles to choose from.

Architectural STRUCTURES

Formulate Architectural Structures are great for events, are easily incorporated into island designs and even permanent interior spaces.
