

LEVERAGE BEST-SELLING DISPLAY COMBINATIONS

for events of all types!

Our Event Essentials help brands engage, communicate and impress at events of all types. From table throws to banners and backwalls and more, we have a wide range of visual communications products to help you achieve your event goals and needs.

Recommended display elements to combine:

BACKWALLS

Anchor the space with a bold focal point.

HOPUP™ TENSION FABRIC DISPLAYS

A highly popular backwall for a good reason. It combines a collapsable frame with a tension fabric graphic (that stays attached even when broken down) making for an extremely convenient set up. A dependable option for grounding a space in high-traffic areas.

BANNER STANDS

Reinforce the brand message.

BLADE LITE 800

Retractable, lightweight, cost effective, and portable, perfect for promotions and advertising.

ORIENT 850

Retractable, durable, and sleek, great for a polished look in high-traffic areas.

FORMULATE[®] ESSENTIAL 850

Pillowcase fabric graphic, with a seamless look that's easy to transport and store.

TABLE THROWS

Tie the space together with a polished finish.

DRAPED

The classic and versatile flowing look.

FITTED

A crisp and more structured look with clean edges and straight lines.

STRETCH

Our tailored and wrinkle-resistant modern alternative with a sculpted profile.

ROUND

Draped or stretched, these can tie an exhibit space together or extend brand presence beyond the primary space.
