

# VECTOR FAST FRAME A VERSATILE *branding system*

**This innovative collection combines:**

- Tool-free, collapsible frames — for easy setup in seconds
- Pre-attached LED lights — for brilliant illumination (where applicable)
- Seamless push-fit SEG Graphics — that deliver a premium finish & are easy to change

Bring a modern look to your brand with Vector Fast Frame™.

## *Light Box Banner*

Illuminated, collapsible banner-size frames with magnetized sides for convenient conversion into a backwall

# Non-Lit Banners

Lightweight, collapsible displays,  
perfect for when simplicity and  
speed matter most

# Backlit Counter

Functional, illuminated counters  
with a modern laminated top for a  
polished finish
