

FORMULATE[®]

Backwalls & Hanging Structures

Ready to stand out on the show floor? Formulate[®] Hanging Structures & Backwalls elevate brand presence with ease. With Formulate, you have the flexibility to go beyond standard display sizes and easily configure Formulate Straight Backwalls and Hanging Structures to fit your exact space, messaging, and brand vision.

FORMULATE

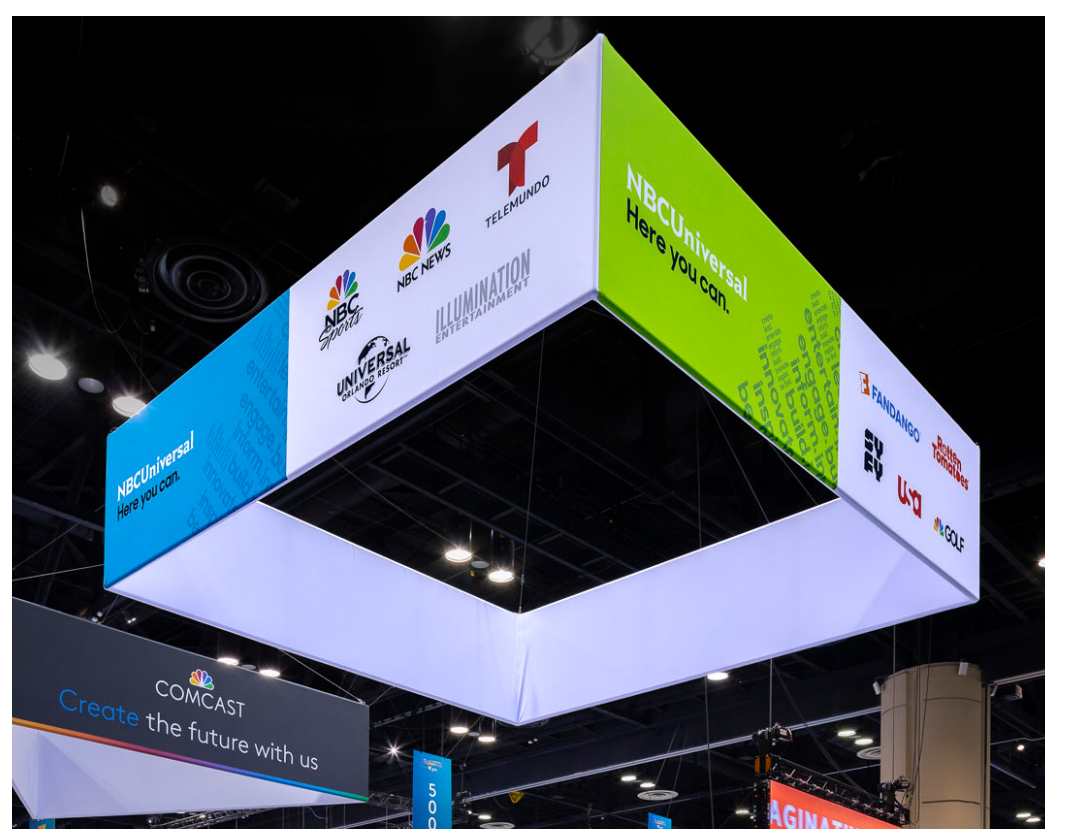

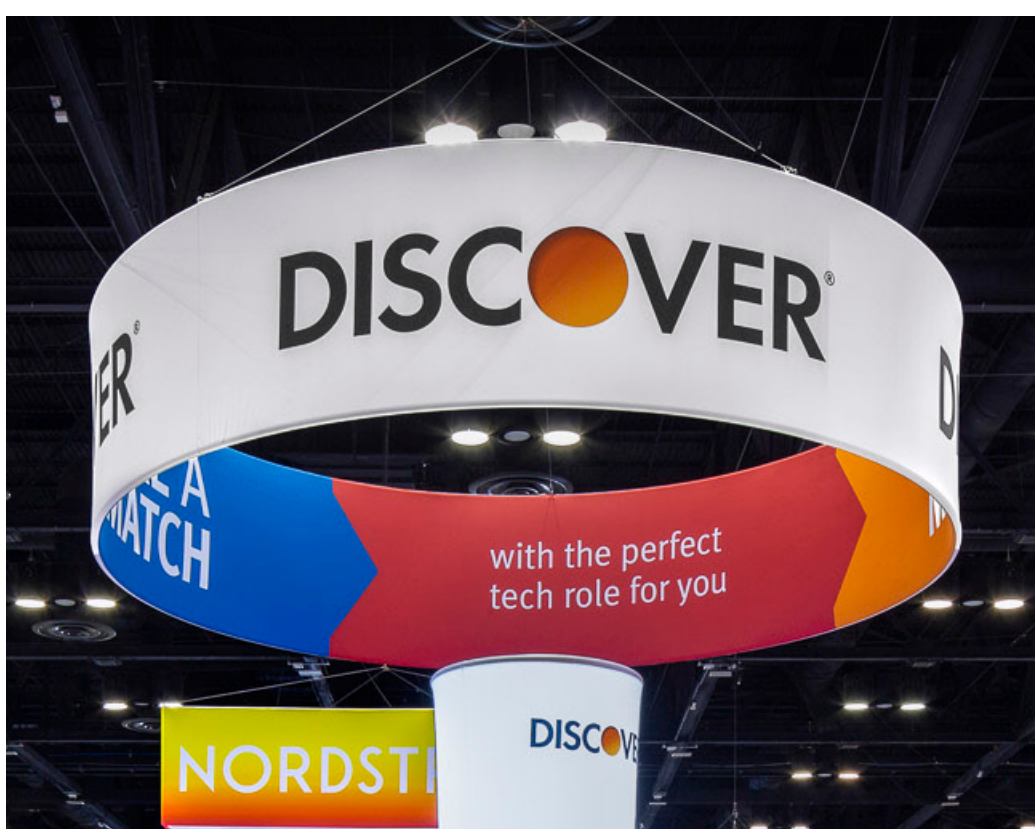

Backwalls

Formulate backwalls create branded environments tailored to your unique space and layout. From large-scale trade show exhibits to retail applications, lightweight aluminum frames and tension fabric pillowcase graphics combine for a sleek, polished appearance with easy, tool-free setup.

FORMULATE

Hanging Structures

Formulate hanging structures give your brand the flexibility to customize Ring or Square overhead displays to fit your exhibit space perfectly, creating a striking presence that attracts attention from every angle.
