ORBUS BECOMES APPROVED BeMatrix FRAME GRAPHIC VENDOR

Woodridge, IL – 8/20/2018: Just one year after doubling its display graphic print capability, Orbus Exhibit & Display Group®, one of North America's leading trade suppliers of display, exhibit and event solutions announces it is an official, [approved graphic print vendor for beMatrix® system frame graphics.](#)

Orbus' Woodridge, IL and Las Vegas, NV display graphic [printing operations](#) can produce over 26,000 sq. ft. of display graphics per hour and operates 24 hours per day, six days per week. Orbus not only prints display graphics for its vast range of display lines, but also for many other manufacturer's exhibit frame systems, including the beMatrix frame system.

"We are happy to add Orbus to our approved list of graphic vendors in the USA," said Robert Laarhoven, President of beMatrix USA. "Orbus' graphic operations are impressive, state-of-the-art and well-suited for the graphic production for the popular beMatrix frame system."

Orbus produced the graphics for Steelhead Productions, using the beMatrix frame system.

"Orbus' ability to produce wide-format display graphics at remarkable speeds helps us serve our distributor customers optimally, help grow their business and respond to the demand of tight turn times," said Giles Douglas, President & CEO of Orbus Exhibit & Display Group. "The beMatrix frame system fits perfectly into our wheelhouse for display graphics production and we are happy to partner with the beMatrix team to print graphics for its frame system successfully."
