## ORBUS NAMED ONE OF PPAI MAGAZINE'S 2023 GREATEST COMPANIES TO WORK FOR

**Woodridge, IL – May 15, 2023:** Orbus Exhibit & Display Group®, North America's largest producer and manufacturer of visual communications solutions for tradeshows and events, retail environments and corporate interiors, is thrilled to share that it has been named one of [PPAI Magazine's 2023 Greatest Companies to Work For](#). This is the third year Orbus has received this recognition, previously in 2019 and 2022.

The PPAI Magazine's Greatest Companies to Work For award recognizes companies that provide exceptional work environments, maintain employee engagement and satisfaction, and promote a positive company culture. Orbus was selected for the award based on its commitment to employee well-being, professional development, and community involvement.

The process for winning this recognition includes sending a questionnaire to employees who are asked to rank their employer on topics such as: "I am confident about my future at this company," to "I have a good benefits package compared to other companies," and "This company operates by strong values and ethics."

On average, the employees from winning companies either agreed or strongly agreed with the positive questions about their employer and workplace. Orbus is honored to be included among 67 other top promotional products suppliers, distributors, and business services firms.

*"We are thrilled to receive this recognition from PPAI Magazine," said Gary Keefer, CEO of Orbus, "At Orbus, we believe our employees are our most valuable asset, and we are dedicated to supporting their personal and professional development."*
