ORBUS NAMED SAGE A-RATED SUPPLIER

Woodridge, IL – November 18, 2022: Orbus Exhibit & Display Group®, North America’s leading wholesale supplier and manufacturer of display, exhibit, graphic and event solutions is thrilled to announce it has been named a SAGE A-rated supplier.

PPAI technology partner SAGE has announced its 2023 rating award winners, which are suppliers and decorators who earn A+ or A ratings. SAGE bases these distinctions on the results of distributor ratings throughout the year. In essence, they represent the top suppliers, as decided by the industry’s distributors.

Out of the 4,000+ suppliers and decorates listed in SAGE, 1,100 received an A+ or A rating. These ratings help distributors make informed decisions about prospective suppliers. This is Orbus’ second year receiving an A-rating, and fifth consecutive year being a high-rated supplier.

“We are immensely honored to one again be receiving this award that recognizes our mission of providing our customers with superior service to help them grow their display business,” said Orbus Vice President of Sales, Patrick Carrig. *“We continuously strive to provide an unrivalled spectrum of quality, speed and service.”*

About Orbus Group

[Orbus Exhibit & Display Group](http://www.orbus.com) is a market-leading group of brands in the United States and Canada that specialize in the manufacture and production of portable, modular, and custom displays used in events, exhibits, retail, and corporate interiors.
