ORBUS RECEIVES SAGE A+ SUPPLIER RATING FOR THE THIRD YEAR IN A ROW

Woodridge, IL – December 11, 2019: Orbus Exhibit & Display Group®, one of North America's leading wholesale suppliers and manufacturers of display, exhibit, graphic and event solutions is thrilled to announce that it has received the [SAGE A+ Supplier Rating Award](#) for the third year in a row.

Awards are based on distributor rating systems collected in SAGE Online, SAGE Web and SAGE Mobile. For 2020 there were 1,067 suppliers that received an A+ rating and 282 suppliers that received an A rating, totaling 32% of all active suppliers in the SAGE database.

The A+ and A ratings allow distributors to make better informed decisions about prospective suppliers. Distributors can only rate each supplier once but can update that rating at any time to reflect the most current and accurate information.

"Receiving this award for the third year in a row is an honor," said Giles Douglas, President & CEO of Orbus. "I am grateful to receive this excellent rating and serve our customers with superior service to help them grow and build their display business."
