## Stylish, Versatile & Affordable

SignPro Systems® (SPS) provides affordable, modular wayfinding signage to the trade. From wall frames to self-standing pylon directories and everything in between, SignPro works with your sign professional to deliver the directional indoor signage you need. The expansive product line includes wall signs, projecting signs, directories, suspended signs, triangular signs, info centers, towers, pylons, desk signs, poster frames and much more. The Sign Makers' Handbook is your guide to a range of well-designed, user-friendly, versatile and highly cost-competitive sign solutions.

SignPro Systems (SPS) recognizes a need for more efficient service and faster delivery at a better price, and you should expect no less from us. SPS is committed to providing affordable solutions and work hand-in-hand with your sign professional to make your project a success, in the fastest possible time.

SPS frames can accommodate a multitude of sign substrates and fabrication methods, from printed paper inserts mounted with our protective lens, to laminated prints, cut vinyl, photopolymer, ADA faces, engraved plastics, metal and more. Your sign professional will help you find the products and materials that are right for your project.

The curved, aluminum body is available in anodized silver or powder-coated black finish with your choice of black or gray impact-modified plastic end caps. Comes standard with a clear, non-glare lens, unless otherwise specified. Mounting holes and tape optional. Custom lengths available.

## Wayfinding Signage Case Study

Tri-State Memorial Hospital

“This project was a great success. There is a sign type for every room and wayfinding location, and it was easy to customize and incorporate the signage into the entire design concept of the facility.”

photos courtesy of Fastsigns Lewiston

### Signage Challenge

Tri-State Memorial Hospital was in need of a variable and consistent wayfinding and room identification system throughout the facility. The sign solution needed to offer a variety of functions, while remaining easy-to-read to assist doctors, patients and visitors in navigating the facility to different wings and specialty clinics.

## Wayfinding Signage Case Study

North Gibson School Corporation  
New Princeton Community High School

“The outcome is effective and aesthetically pleasing to everyone who visits. The signage blends well. It directly guides visitors, students and staff to their intended destinations.”

### Signage Challenge

North Gibson School Corporation was in need of interior wayfinding signage for their high school to guide students, staff, and visitors to the right rooms and destinations.

----------	----------	----------	----------	----------	----------	----------	----------

## TR Series

*top & bottom end caps*

The triangular aluminum extruded body with impact-modified molded plastic end caps allows for wall or ceiling mount and is visible from two directions. Custom lengths available.

 TR1	 TR2	 TR3	 TR4	 TR5	 TR6	 TR7
---------	---------	---------	---------	---------	---------	---------

All length measurements apply to the extrusion only and exclude the end caps.

## DKP Series | Left-to-Right Curved Desk Frame

The DKP series of standing desk frames consists of high quality, powder-coated black anodized silver extruded aluminum body with a black plastic top cap and black steel foot plate. Its clear, non-glare lens and suction cup come standard. Custom lengths available.

All length measurements apply to the extrusion only and exclude the end caps.

## DK Series left & right end caps

The DK series of standing desk frames offers impact-modified plastic molded end caps that double as feet for desk or table top use and a high quality, extruded aluminum body with anodized silver or satin powder-coated black finish. Clear, non-glare lens comes standard. Custom lengths available.

## DESK FRAMES

### DKS Series

*acrylic desk frames*

The DKS series of standing desk frames features two clear acrylic protective plates that protect your print and brushed silver aluminum support feet for a sharp and modern look. Comes in two standard sizes.

silver aluminum feet detach from clear acrylic plates for easy graphic insertion

### DKC Series

*concave desk frames*

These sleekly designed concave desk frames are constructed of high-quality extruded aluminum. The lens slides in and out for easy print replacements. Comes standard in anodized silver or satin powder-coated black finish in two standard sizes.

Dimensions above are graphic sizes only.

lens and graphic slide out for easy replacement

## DKD Series

*plexi desk frames*

The DKD line of desk frames combines a stable domed, brushed silver aluminum holder with an elegant protective acrylic folded pocket providing a modern double-sided option and allows easy graphic changes. Comes in four standard sizes.

Dimensions above are graphic sizes only.

## DK Snap

*snap-edge desk frames*

The DK Snap desk frames are available in a range of sizes and in black or silver. These front-loading desk frames snap open for quick and easy graphic changes. Includes clear non-glare protective lens.

## Tri-Tower Deluxe

TRI-TOWER-DLX

This 26.75" w x 72" h free-standing modern-looking triangular display tower features durable aluminum extrusion construction coupled with rigid graphic infill panels. The convenient sliding cam locks make graphic changes quick and easy. It features a heavy duty laminated foot plate. Backlit option with translucent PVC graphics available to make your messaging pop! Requires simple assembly.

the triangular shape gives dimension to three graphic sides

the heavy duty laminate plate strongly anchors the tower

backlit option with translucent PVC graphics

frame fits three  
24" w x 68.875" h graphics

## Tower

The tower is a collapsible double-sided free-standing display featuring 24" or 33" w x 72" h "bubble" panels for maximum visibility. Simply add the optional lighting kit and turn your tower into a free-standing light box! Recommended printing material sizes are: .040" - .125". Comes with black thermoformed laminate top & bottom plates and your choice of silver or black aluminum edge extrusions. The two-part uprights disassemble, allowing the unit to collapse into the popular wheeled OCX case for easy transport. Requires simple assembly.

optional lighting kit adds an attractive element to tower and is simple to assemble

add a tower lighting kit and turn it into a free-standing lightbox

## Cube Tower

CUBE06

wheels or  
feet optional

The Cube Tower features your choice of silver or black easy-to-use snap frames on all sides. With a variety of configurations and sizes available, the Cube Tower allows you to seamlessly display multiple graphics and messages on all four sides. The front-loading graphic mechanism makes graphic changes easy. Each frame comes with a clear protective lens. Options include wheels or feet. Custom sizes available.

### Wayfinding Signage Case Study

Laurel Toyota

“The results were fantastic! The professional staff of graphic designers and installers did a perfect job in all aspects of the project.”

photos courtesy of Minahan Signs

### Signage Challenge

Laurel Toyota was in need of directional and wayfinding signage to help clients feel welcome and comfortable navigating through the facility. Toyota was looking for an affordable solution, provided by a local contact they could constantly be in touch with.

### Wayfinding Sign Solutions: Ideal for Churches, Hospitals and Schools

Wayfinding sign solutions are ideal to help visitors and staff of churches, hospitals, schools and more find their way and easily navigate the facility.

## PYL-DBL Series

*double-sided pylons*

These sleek and attractive free-standing pylons are sure to get the message across. When used with dividing strips, they will turn into free-standing large format directories.

Made with a black thermoformed laminate bottom plate with robust steel support plates and a black plastic molded top plate. Finished with your choice of silver or black curved high quality aluminum extrusions. Comes with clear non-glare protective lenses that can be removed for a quick graphic change. Requires assembly.

## PYL-TR Series

*three-sided pylons*

Made with a black thermoformed laminate bottom plate with robust steel support plates and finished with your choice of silver or black curved high quality aluminum extrusions. Comes with clear non-glare lenses that can be removed for quick graphic change. The PYL-TR-1 and PYL-TR-2 come with a black powder-coated steel top plate, while the PYL-TR-3 comes with a thermoformed top plate. Requires assembly.

## Sign Stands

*versatile graphic displays*

Easily display a graphic or message with a versatile and easy-to-assemble sign stand. These sleek stands are perfect to display your message. Options vary per stand – such as adjustable posts, portrait and landscape sign configurations and more.

See page 31 for optional literature rack accessories

### Observe Deluxe

OBS-DLX

- Stylish double-sided curved design
- Holds two 24" w x 36" h bubble graphics
- Recommended printing material: .040"-.125" opaque styrene
- Elegant brushed silver
- Sturdy steel base with removable and adjustable brochure pockets
- 74-1/2" h

### Observe Grand

OBS-B

- Sleek info center includes sturdy base & adjustable shelf
- Accepts 22" w x 28" h graphic size
- Single or double-sided
- Holds a 3/16" thick mounted graphic
- 37" h without graphic

### Observe Pro

OBS-LP-SYS

- Lightweight snap together info center
- 12" diameter base
- Stylish curved header
- Adjustable brochure holder
- Accepts 8.5" w x 11" h graphic and literature
- 42" h without graphic

## Telescope

TELESCOPE

- Tripod banner stand supports rigid graphics up to 72" tall
- Can support one or two graphics
- Gripping clamps ideal to hold corrugated plastic and foam board
- Black steel finish

## Spartan

SPARTAN

- Sleek, designer sign holder includes protective acrylic folded pocket to hold 8.5"w x 11"h literature or contour-cut rigid graphic
- Silver aluminum alloy post and circular black powder-coated base
- Add second post to hold a larger rigid graphic
- 52-1/4"h

## Sign Stands

*versatile graphic displays*

Easily display a graphic or message with a versatile and easy-to-assemble sign stand. We offer stands that feature adjustable posts, portrait and landscape sign configurations and more.

### Snapper Stand

SNP-STAND

- Attractive, stylish snap-open 11" x 17" frame
- Portrait or landscape presentation options provided
- Mounted on silver aluminum stand
- Requires light assembly
- 40"h

### Advocate

ADVOCATE

- Fashionable, chrome finish, aluminum post and frame
- Holds 8.5" x 11" graphic
- Can be rotated 360 degrees or any desired angle
- Telescopic post offers variable height from 30.5" - 48"

### Demonstrator

DEMONSTRATOR

- Stylish acrylic sign holder holds literature in top and bottom pockets
- Top frame can be used in landscape configuration only
- Acrylic sign holders, brushed silver post and base
- 45"h

top view

See page 31 for optional literature rack accessories

## IC-TR Series

### IC-TR

- Triangular shape
- Silver or black curved high quality aluminum extrusions
- Silver aluminum post, silver steel domed foot plate
- Black powder-coated steel top and bottom plate
- Clear non-glare protective lenses can be removed for a quick graphic change
- Custom heights available
- Product requires assembly

- Double sided
- Custom heights available
- Product requires assembly

## Trappa Post

TP

Versatile Trappa Posts feature snap sign frames and come in a variety of configurations and sizes. A sturdy, silver aluminum post and heavy, silver domed steel plate ensure stability. Comes with your choice of silver or black snap frames, large or small, landscape, portrait or diagonal. The front loading graphic mechanism makes graphic changes easy. Includes clear protective lenses. Custom sizes available. Assembly required.

post connects for quick assembly

frames can be displayed horizontally or at an angle (shown above)

See page 31 for optional literature rack accessories

## Poster Snapper

The Poster Snapper creates a clean, simple, elegant look with hanging clips that feature both a top opening for clear nylon line mount as well as a recessed pocket for S-hook suspension.

The adjustable hanging clips slide along the top rail to match your desired spacing. Rails snap open and shut for quick graphic changes. Comes in four different standard widths:

24", 30", 36" and 48".

Custom-cut width available up to 60".

hanging options:

nylon line

S-hook

snap graphic rail for easy change-out

snap rail

## Trappa Custom

TRP-CUSTOM

The Trappa Poster Frame offers a simple, elegant snap rail solution for your custom-sized needs. It combines two custom-length spring-loaded snap rails with a backer and a clear non-glare protective lens, allowing you to mount your custom sized print to a wall just by inserting the poster and snapping the edges shut. Rails, backer and lens are cut to size, depending on your graphic dimensions and desired rail length.

## Ambassador

### AMBASSADOR

- Eye-catching and effective magnetic name tag
- Front curved face, equipped with a clear protective lens
- Magnetic backer secures tag in place without any damage to garment
- Silver finish
- Lightweight ABS construction
- Graphic dimensions: 2-15/16"w x 1-1/4"h

magnetic hardware secures tag in place

protective lens and graphic slide out

## Atlas

### ATLAS

- Outdoor sign holder
- Recommended graphics: 10mm corrugated plastic or 1/2" rigid substrates
- Use as many as you need to hold a large rigid graphic 1/2" thick
- Quick set-up, easy storage
- Hollow plastic base can be filled with water or sand
- Securely holds a Zoom 3, 4 or 5 outdoor flag pole with Zoom pin attachment
- Extend three swivel feet and stake to the ground for increased stability in windy conditions
- Ground stakes included

swivel feet allow for increased stability

## Navigator

### NAVIGATOR

- Free-standing outdoor portable sign stand
- Visual graphic area = approx. 12.8" w x 14.8" h
- Hollow plastic base can be filled with water or sand
- Easy three-piece assembly
- Packs flat into box
- Stands 47" h

## Wedge

### WED-1-B

- Combine multiple units for longer and taller displays
- Graphic size is variable
- Black only
- Graphics not included

## Ace

### ACE

- Sturdy double-sided powder coated steel "A-frame" sidewalk sign
- Rigid graphics slide in from top
- Comes with elegant brushed silver carry handle
- Designed for 24" w x 36" h rigid graphics

## Apex

### APEX

- Double-sided high impact polystyrene "A-frame" sign
- Can be printed directly on the plastic for a smooth look
- For indoor or outdoor use
- Designed for 24" w x 42" h graphic
