VIRTUAL SAMPLE PROGRAM

Purpose Orbus offers the ability to virtually sample artwork on a variety of off-the-shelf products for customers. Virtuals demonstrate how a customer's logo or branding would look like on a promotional product and provides a lasting impression on customers.

File Type PNG

Process Request a virtual sample from your Orbus Sales Representative or customer support.

Requirements:

- To meet our timeline, we request the following:
- > Detailed product name
 - > High Res. Images/logos or vector files (eps or ai format)
 - > Outlined fonts
 - > Pantone color value (for example: PMS 465C)

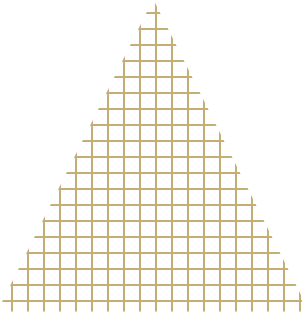

PLEASE NOTE: One visual per product for no cost.

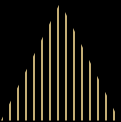

Capabilities:

- > Take an existing blank rendering and place provided artwork on the product.
- > Apply any solid color to the background and add a logo on any existing blank rendering.
- > Create artwork for larger exhibits (front views only).

Limitations:

- > Custom booths
- > Cannot add or remove any parts from a photo of a product

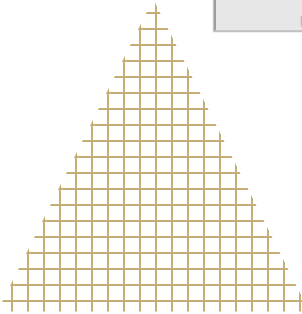

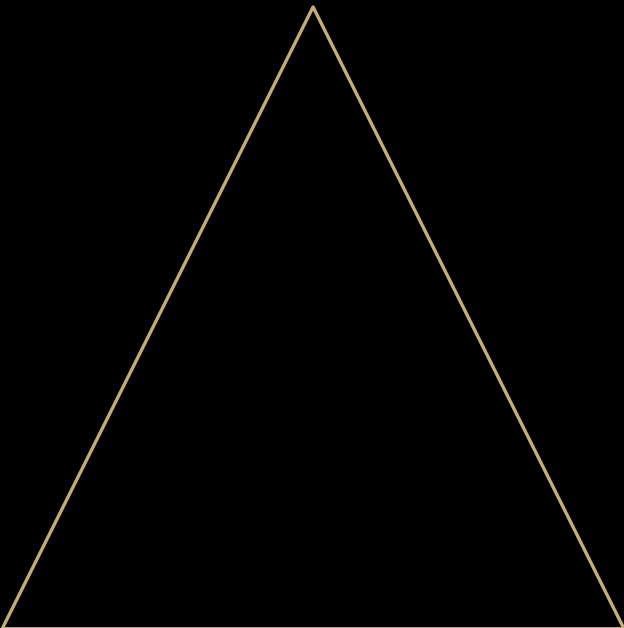

GRAPHIC TEMPLATES

Purpose Orbus provides artwork templates for all products. Artwork must be provided in the specific template to avoid any mistakes.

File Type PDF

Location EXHB, PHB & Orbus Websites

<https://www.orbus.com/downloads/download-graphic-templates>

Retractable Banners:
Blade Lite 850

Total Graphic Area: 33.5" w X 66.5" h
up to 89.75" h
Total Visual Area: 33.5" w x 60" h
up to 83.25" h

Please be sure to include a 1/2" bleed at the top & a 6" bleed at the bottom

General Art Guidelines:

- CMYK Color Mode
- All Solid Coated Pantone colors should be called out in the art as spot colors
- Embed all images and support files
- Resolution must be 100-120 ppi
- All fonts must be created to outlines
- Do not scale artwork
- Background color/images must bleed to the edge of artwork
- Do not use spot colors from template in your artwork as they will not print

.5" bleed area

6" bleed area

BLEED AREA
will not be visible when mounted into bannerstand

Straight Hopup:
3x3 Hopup

Total Graphic Area: 93.5" w X 93.5" h
Total Visual Area: 89.5" w X 89.5" h

Please be sure to include the 2" bleed around the perimeter (note trim & stitch locations on templates; DO NOT design any critical elements (text, logos, etc.) within 2" of the edge.

General Art Guidelines:

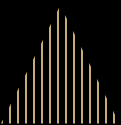

- CMYK Color Mode
- All Solid Coated Pantone colors should be called out in the art as spot colors
- Embed all images and support files
- Resolution must be 100-120 ppi
- All fonts must be created to outlines
- Do not scale artwork
- Background color/images must bleed to the edge of artwork
- Do not use spot colors from template in your artwork as they will not print

BROCHURES

SAFEGUARD STUDENTS & TEACHERS WITH PPE

Educational institutions need a variety of PPE products as they plan for school re-openings. We offer a wide variety of PPE products, signs and displays designed to help protect, sanitize, inform students, faculty and visitors.

SAFEGUARD STUDENTS & FACULTY WITH PPE

Colleges and Universities need a variety of PPE products as they plan for campus re-openings. We offer a wide range of PPE products, signs and displays designed to help protect, sanitize, and inform students, faculty and visitors.

SAFEGUARD THE WORKPLACE & EMPLOYEES

Offices and companies of all types need a variety of PPE products to protect their employees and make them feel confident and safe in a changed workplace. We offer a wide variety of PPE products, signs and displays designed to help protect, sanitize, inform and instill confidence.

SAFEGUARD TRAVELERS & EMPLOYEES

Airports and airlines need a variety of PPE products to protect their travelers and employees and make them feel safe. We offer a wide variety of PPE products, signs and displays designed to help protect, sanitize, and inform.

PPE SOLUTIONS FOR MEDICAL/DENTAL OFFICES & CLINICS

Dental/medical offices and clinics have a duty to protect the health of their patients and employees. We offer a wide variety of PPE products, such as protection barriers, sneeze guards, sanitizing stations, handwashing stations, and displays designed to protect, educate, and instill confidence.

PPE SOLUTIONS FOR PLACES OF WORSHIP

As we evolve and strive to safely and carefully open places of worship, Sunday schools and Pre-schools, it is imperative to encourage and enable social distancing and guide parishioners, clergy and visitors with important messages about mask wearing, social distancing, handwashing, safety and more. We offer a wide variety of PPE products, such as protection barriers, sneeze guards, sanitizing stations, informational signs and displays designed to protect, educate, and instill confidence.

PPE SOLUTIONS FOR GYMS & FITNESS CENTERS

As we strive to safely and carefully open fitness centers, recreation centers and gyms, it is imperative to encourage and enable social distancing and guide members and personnel with important messages about mask wearing, social distancing, handwashing, safety and more. We offer a wide variety of PPE products, such as protection barriers, sneeze guards, sanitizing stations, informational signs and displays designed to protect, educate, and instill confidence.

PPE SOLUTIONS FOR MANUFACTURING & WAREHOUSE OPERATIONS

As we evolve in response to Covid-19, employee health and safety is at the forefront of all manufacturing and distribution companies. PPE, sanitizing stations, and signage of all types are critical to inform, educate, create and maintain a safe environment. We offer a wide variety of PPE and signage products - protection barriers, sneeze guards, sanitizing stations, interior & exterior signs and displays designed to protect, educate, and instill confidence.

PPE SOLUTIONS FOR TRANSPORTATION OUTLETS

Bus stations, train stations, car rental depots and other transportation outlets require a variety of safety measures and protocols to protect their commuters and employees. PPE, sanitizing stations, and signage of all types are critical to maintain a safe environment. We offer a wide variety of PPE and signage products - protection barriers, sneeze guards, sanitizing stations, interior & exterior signs and displays designed to protect, educate, and instill confidence.

PPE SOLUTIONS FOR POLLING PLACES

Voting is one of many civic duties of an American citizen. In the wake of COVID-19, election officials must make changes and put a variety of safety measures and protocols in place to make Election Day safe for voters. PPE, sanitizing stations, and signage of all types are critical to maintain a safe environment. We offer a wide variety of PPE and signage products - protection barriers, sneeze guards, sanitizing stations, interior & exterior signs and displays designed to protect, educate, and instill confidence.

PPE SOLUTIONS FOR BARBER, BEAUTY SHOPS & SALONS

Beauty shops, barber shops, nail salons and spas have a duty to protect patrons and employees with personal protective equipment. It is imperative that important protocols for mask wearing, social distancing and sanitizing are clearly communicated. We offer an extensive range of PPE products, signs, and solutions to help businesses open and operate safely. We also offer customized PPE and interior solutions specified for the environment.

PPE SOLUTIONS FOR RESTAURANTS

In a survival effort, restaurants are investing in protecting patrons and employees with personal protective equipment. It is imperative that important protocols for mask wearing, social distancing and sanitizing are clearly communicated. We offer an extensive range of PPE products, signs, and solutions to help businesses open and operate safely. We also offer customized PPE and interior solutions specified for the environment.

PPE SOLUTIONS FOR BANKS & CREDIT UNIONS

In order to maintain branch operations as the risk of a public outbreak heightens, financial institutions are investing in protecting patrons and employees with personal protective equipment. We offer an extensive range of PPE products, signs, and solutions to help businesses open and operate safely. We also offer customized PPE and interior solutions specified for the environment.

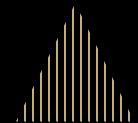

PPE SOLUTIONS FOR RETAIL & GROCERY STORES

Retail stores and grocery stores have a duty to protect patrons and employees with personal protective equipment. It is imperative that important protocols for mask wearing, social distancing and sanitizing are clearly communicated. We offer an extensive range of PPE products, signs, and solutions to help businesses open and operate safely with social distancing and safety measures in place. We also offer customized PPE solutions specified for the environment.
